MEMORANDUM FOR : Mr. Colby

SUBJECT : Increased Staff Ceiling for OGC and OLC

1. Last week I received word from Mr. Maury via [] that OLC would like another supergrade position and another secretarial slot. These are in addition to the [] positions now allotted to OLC. They're also asking for a GS-06 to be upgraded to a GS-07. Mr. Maury apparently has spoken to a Mr. Bill Timmons of the White House staff who offered assistance if there is difficulty getting supergrade slots for legislative personnel.

2. This morning [] said that Mr. Houston wanted a GS-15 upgraded to GS-16. In addition, she referred to a conversation between you and Mr. Houston regarding a GS-13 detailed to [] from the CA Staff. Apparently CA wants to cancel the detail and you agreed that OGC should have another slot to permanently accommodate this man from CA.

3. Messrs. Houston and Maury have spoken with Mr. Brownman who indicated that there would be supergrade positions available. I don't know whether Mr. Brownman has spoken with you.

1. Get two additional slots for OLC; one GS-16 and one GS-07.
2. Upgrade a GS-06 to GS-07 in OLC.
3. Upgrade a GS-15 to GS-16 in OGC.
